Proposals and References

Proposal 1: Election of Nine Directors

The term of office of the following nine Directors will expire at the close of this Ordinary General Meeting of Shareholders: Messrs. Hideki Kobori, Shigeki Takayama, Yutaka Shibata, Hiroshi Yoshida, Shuichi Sakamoto, Fumitoshi Kawabata, Tsuneyoshi Tatsuoka, and Tsuyoshi Okamoto, and Ms. Masumi Shiraishi.

The Company therefore proposes that the following nine candidates be elected as Director.

Meanwhile, candidates Messrs. Tsuneyoshi Tatsuoka and Tsuyoshi Okamoto and Ms. Yuko Maeda are candidates for Outside Directors, and the Company judges that the said three candidates have sufficient independence with no conflict of interest with the general shareholders in light of the Company's criteria for independence. As the said three candidates meet the requirements for independent director stipulated by the Tokyo Stock Exchange, we have registered them with the Tokyo Stock Exchange as independent directors.

The candidates are as follows:

	<p>[Supplementary explanations on independence] The Group has transactions with Bridgestone Corporation, where she was formerly involved in executive management, mainly concerning parts supply. However, the amount of said transactions is very small, not more than 1% of the consolidated sales of the Group and not more than 1% of the consolidated sales of Bridgestone Corporation. In addition, as she has retired from Bridgestone Corporation in 2017, such situation does not have any influence on her independence. Currently, there are no transactions between the Group and CellBank Corp., where she is currently involved in executive management.</p>		
	<p>[Message from the candidate] The Asahi Kasei Group, which has materials that can drive the world forward, must brace itself and continue to grow even further, especially in these times of crisis amid the COVID-19 pandemic. Utilizing my experience as a former lithium battery R&D specialist and from working in various sectors of industry, academia, and government, I will do my utmost to contribute to business growth and improve sustainability through innovation.</p>		

- (Notes)
- The Company expects its Outside Directors to realize multifaceted deliberation in the Board of Directors by reflecting the high sensitivity that swiftly tracks changes in the social environment surrounding the Group and perspectives of external stakeholders, as well as the knowledge cultivated through the practice of corporate management, and to supervise management through the Nomination Advisory Committee and the Remuneration Advisory Committee.
 - There is no conflict of interest between any candidate and the Company.
 - In accordance with Article 427, Paragraph 1, of the Companies Act, the Company has concluded agreements with Messrs. Tsuneyoshi Tatsuoka and Tsuyoshi Okamoto which limit their liability as specified in Article 423, Paragraph 1, of the Companies Act, with the amount of their individual liability being either ¥10 million or the minimum amount stipulated by law or ordinance, whichever is higher. The Company plans to conclude a similar agreement with Ms. Yuko Maeda, if she is elected as Director.
 - Tokyo Gas Co., Ltd., a company where Mr. Tsuyoshi Okamoto served as a Director, received an order for action from the Consumer Affairs Agency in July 2017, for violation of the Act against Unjustifiable Premiums and Misleading Representations on the advertisement presentation for an event "Gas Fair" held in November 2016, during his term of office.

5. Japan Post Holdings Co., Ltd., a company where Mr. Tsuyoshi Okamoto serves as an Outside Director, received an administrative disposition pursuant to the Act on Japan Post Holdings Co., Ltd. and an administrative disposition pursuant to the Insurance Business Act in December 2019, in relation to the incident at Japan Post Insurance Co., Ltd. and Japan Post Co., Ltd., the company's subsidiaries, in which numerous cases of improper solicitation occurred in relation to insurance products provided by Japan Post Insurance Co., Ltd. Although Mr. Okamoto was not aware of this fact until the aforementioned incident came to light, he has regularly brought attention to the importance of group governance on occasions including their meetings of the Board of Directors. Subsequent to the discovery of the said incident, he has fulfilled his assigned duties such as by providing appropriate guidance on the investigation into the facts and implementation of measures to prevent recurrence.
6. The Company has concluded a directors and officers liability insurance agreement with an insurance company. The insurance agreement shall cover compensation for damages, settlements, attorney's fees, etc. to be borne by the insured parties. Each candidate will be included as an insured party under the insurance agreement. In addition, the Company plans to renew the agreement with the same contents at the next renewal.

Proposal 2: Election of Two Corporate Auditors

Corporate Auditor Hikoe Konishi effectively retired from his position on January 13, 2021, due to his passing away on the same date, and the term of office of Corporate Auditor Yuji Kobayashi will expire at the close of this Ordinary General Meeting of Shareholders. The Company therefore proposes that the following two candidates be elected as Corporate Auditors. Prior agreement of the Board of Corporate Auditors has been obtained regarding the submission of this proposal.

Candidate Ms. Akemi Mochizuki is a candidate for Outside Corporate Auditor, and the Company judges that the candidate has sufficient independence with no conflict of interest with the general shareholders in light of the Company's criteria for independence for Outside Corporate Auditors. As Ms. Mochizuki meets the requirements for independent corporate auditor stipulated by the Tokyo Stock Exchange, we have registered her with the Tokyo Stock Exchange as independent corporate auditor.

The candidates are as follows:

Abbreviations: R = Re-appointed, N = Newly-appointed, O = Outside Corporate Auditor, I = Independent

Diversity of Expertise and Experience of Outside Directors/Corporate Auditors

In order to achieve sustainable growth and improve corporate value over the medium to long term, the Company considers the makeup of the Board of Directors, paying attention to the diversity of knowledge, experience, and abilities, so that it can supervise and audit the execution of operations at the Group, which runs a wide variety of businesses. In particular, in order to realize multifaceted deliberation in the Board of Directors by reflecting the high sensitivity that swiftly tracks changes in the social environment surrounding the Group and perspectives of external stakeholders, as well as the knowledge cultivated through the practice of corporate management, the Company believes that it is essential that there be diversity in the fields of expertise and experience of Outside Directors and Outside Corporate Auditors, who have standpoints that are independent of the Group.

If Directors and Corporate Auditors are elected as in Proposal 1 and Proposal 2, the distribution of the fields of expertise and experience among Outside Directors and Outside Corporate Auditors would be as follows:

		Corporate Management	Finance & Accounting	Legal Affairs & Intellectual Property	Environment & Society
Outside Directors	Tsuneyoshi Tatsuoka			★	★
	Tsuyoshi Okamoto	★	★		★
	Yuko Maeda			★	★
Outside Corporate Auditors	Akio Makabe		★		★
	Tetsuo Ito			★	★
	Akemi Mochizuki		★		★

Independence Standards and Qualification for Outside Directors/Corporate Auditors

In determining that Outside Directors and Outside Corporate Auditors are independent, the Company ensures that they do not correspond to any of the following and that they are capable of performing their duties from a fair and neutral standpoint.

- (1) A person who currently executes or has executed businesses of the Group (Executive Directors, Executive Officers, employees, etc.) over the last 10 years
- (2) A company or a person who executes the businesses thereof whose major business partner is the Group (an entity with more than 2% of its annual consolidated net sales coming from the Group)
- (3) A major business partner of the Group (when payments by this partner to the Group account for more than 2% of the Company's annual consolidated net sales or when the Company borrows money from such partner amounting to more than 2% of the Company's consolidated total assets) or a person who executes the businesses thereof
- (4) A person who receives a large amount of money or other financial gain (¥10 million or more in one year) from the Group as an individual other than remuneration for being a Director/Corporate Auditor of the Company
- (5) A company which receives a large amount of donations or aid (¥10 million or more in one year) from the Group or a person who executes the businesses thereof
- (6) A main shareholder of the Group (a person/company who directly or indirectly owns 10% or more of all voting rights of the Company) or a person who executes the businesses thereof
- (7) A person who executes the businesses of a company which elects Directors/Corporate Auditors/employees of the Group as Directors/Corporate Auditors
- (8) An Independent Auditor of the Group or any staff thereof
- (9) A person who has fallen into any of the categories 2 through 8 above over the last three years
- (10) A person who is a close relative (spouse, relative within the second degree of kinship, or those with whom they share living expenses) of a person who falls under any of the categories 1 through 8 above, provided that "a person who executes businesses thereof" in 1, 2, 3, 5, 6, and 7 above shall be replaced with "an important person who executes the businesses thereof (Executive Directors and Executive Officer, etc.)"

Business Report

(From April 1, 2020 to March 31, 2021)

1. The Group's Business Results

Consolidated results

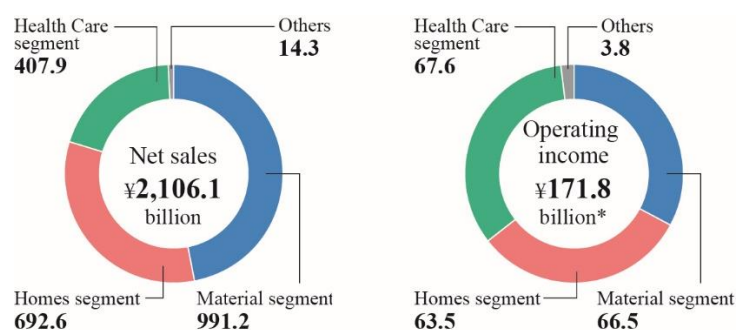

Primary factors for changes in net sales

Net sales for the entire Group slightly decreased due to decreases in net sales in the Material segment and the Homes segment, which were heavily impacted by the spread of COVID-19, despite an increase in net sales in the Health Care segment mainly from businesses that contribute to the treatment, etc. of COVID-19.

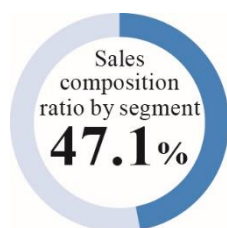

Primary factors for changes in net income

Net income decreased due to a slight decrease in operating income, as well as extraordinary loss mainly due to the impact of fire at a semiconductor plant and a temporary increase in income tax expense associated with the reconfiguration of organizations related to Veloxis.

* Includes "corporate expenses and eliminations" [¥-29.6 billion]

Material

[Main businesses]

With unique fibers and resins, basic chemicals as petrochemical feedstocks, environmentally friendly performance materials, consumables such as Saran Wrap® cling film, battery separators, and electronic devices such as LSIs and sensors, our high value-added product portfolio is expanding on a global scale, contributing to a better future through advanced technologies.

[Supplementary explanations on business results per segment]

Primary factors for changes in operating income:

Operating income decreased due to the impact of worsening of the world economy caused by the spread of COVID-19, as well as events in the first half such as lower market prices for petrochemical products and slowdown in the automotive market.

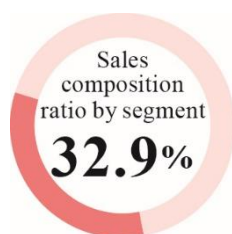

Fiscal 2020 highlight

Increasing production capacity for Li-ion battery (LIB) separator

We announced a plan to increase production capacity at a plant in Hyuga, Miyazaki for LIB separator (wet process), which is growing rapidly mainly for automotive applications including electric-drive vehicles. We aim to start commercial operation in fiscal 2023.

Homes

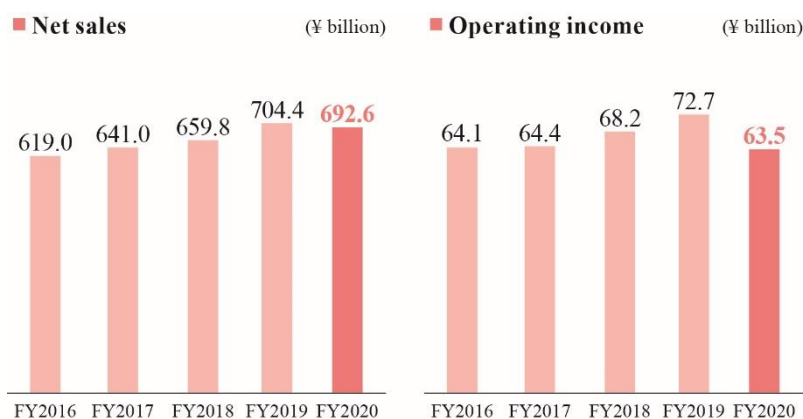

[Main businesses]

We set the stage for a rich and fulfilling lifestyle with our homes business that provides high-quality products and services centered around Long Life Home, which earn high customer satisfaction that lasts for more than half a century, and with our construction materials business that provides innovative and original high value-added products and services.

[Supplementary explanations on business results per segment]

Primary factors for changes in operating income:

Although real estate operations performed strongly, operating income decreased due to the impact of the consumption tax increase and the spread of COVID-19 mainly in order-built homes and remodeling operations.

Fiscal 2020 highlight

Building IoT disaster information system

As part of the LONGLIFE AEDGiS IoT disaster information system, which we are jointly developing with the National Research Institute for Earth Science and Disaster Resilience, we have installed seismometers in 166 Hebel Haus™ unit homes in the 23 wards of Tokyo. Utilizing data from these seismometers, we aim for quick recovery in the event of seismic disasters, stronger reconstruction support, and improved social resilience.

Health Care

[Main businesses]

We contribute to the advance of medical care around the world with world-class drugs in the fields of orthopedics, critical/intensive care, and the immune system; blood purification devices for chronic and acute renal failure, and various intractable diseases; and products for the manufacturing process of biopharmaceuticals, etc. In addition, our products in the field of acute critical care including AEDs, defibrillators for professional use, and intravascular temperature management systems help to save people's lives.

[Supplementary explanations on business results per segment]

Primary factors for changes in operating income:

Operating income increased with favorable performance in both critical care operations and pharmaceutical and medical care operations due to the increased demand for products that contribute to clinical settings and the development of drugs for COVID-19.

Fiscal 2020 highlight

Significant increase in production of ventilators

ZOLL in the U.S. significantly increased production of its ventilators. These ventilators are transport ventilators designed for use both in emergency settings and at hospitals, and have contributed to the treatment of COVID-19.

2. Medium-term Management Strategies / Plans and Progress

1. Management environment and management issues

The Group has set “contributing to life and living for people around the world” as its Group Mission, and since its founding, the Group has met the needs such as establishment of livelihood base, abundance of goods, comfort and convenience, and demand in emerging countries. Recently, there has been rising global awareness of social issues and environmental problems, as symbolized by the sustainable development goals (SDGs) adopted by the UN. In addition, some regions and people have been left behind from growing prosperity in the world, while decline in birthrates and aging of populations have progressed in developed nations. The Group considers “realization of a sustainable society” to be the current societal need that must be solved, and will tackle this challenge as a management issue.

For the Group to contribute to “realization of a sustainable society,” it is crucial that it achieves high profitability and deepen its trust relationships with all stakeholders. The Group will pursue sustainability by achieving both contribution to “realization of a sustainable society” and “sustainable growth of corporate value,” through transparent and fair management practices.

Furthermore, in fiscal 2020, COVID-19 spread far and wide and many lives around the world were lost. At the same time, the global economic crisis caused by lockdowns and other measures enforced to prevent the spread of COVID-19 posed a terrible threat to people’s life and living. The Group was also affected, including restrictions placed on business activities, but it will continue to give adequate attention to the safety and health of the people involved in its business, provide a stable supply of products and services needed by society, and proactively respond to this drastic change in the management environment by considering it as an opportunity.

2. Medium-term management initiative “Cs+ for Tomorrow 2021”

The Company is taking various measures to achieve the sustainability it aims for with the medium-term management initiative “Cs+ for Tomorrow 2021,” which covers the three-year period beginning in fiscal 2019.

Summary of medium-term management initiative “Cs+ for Tomorrow 2021”

- Having established five priority fields for provision of value, which are “Environment & Energy,” “Mobility,” “Life Material,” “Home & Living,” and “Health Care,” prioritizing the allocation of management resources to these fields. Promoting transformation of business portfolio from the perspectives of high profitability, high market growth, high efficiency, etc.
- Contributing to the sustainable development of people and the earth in order to “Care for People, Care for Earth.”
- Utilizing the advancement of businesses through DX (digital transformation), enhancement of global operations, M&A, promotion of company-wide marketing, innovation creation functions, etc. to create new value through internal and external connections.
- Even under the circumstances that require coexisting with COVID-19, focusing on employee satisfaction and human resource development, and strengthening the business base including the aspects of environmental safety, workplace safety, quality management, risk management, and thorough compliance.
- Improving corporate governance structure through continuous review and implementation for the growth of corporate value.

3. Measures and progress

April 2020

Environment & Energy

Started world's largest-scale hydrogen supply operation at the Fukushima Hydrogen Energy Research Field

At the Fukushima Hydrogen Energy Research Field, an initiative with NEDO^{*1} and other entities in Namie, Futaba, Fukushima, the Group started operation of hydrogen supply at the alkaline water electrolysis system having the world-leading scale of 10 MW using original technology. We are providing solutions to society for clean environmental energy.

June 2020

Environment & Energy

Issued Asahi Kasei green bond

To renovate and increase the capacity of our hydroelectric power plants which supply electricity to our manufacturing plants in the Nobeoka area of Miyazaki Prefecture, the Company raised funds by issuing a green bond. As renewable energy is beneficial to the global environment, we will promote its increased use.

September 2020

Home & Living

Acquisition of Austin companies in the U.S.

Asahi Kasei Homes Corp. acquired Austin Electric Services, LLC, Austin Concrete & Stone, LLC, and Austin HVAC, LLC, a premier American residential electrical, concrete, and HVAC group. As a pillar of our new businesses in the Homes segment, we will continue to strengthen our overseas business.

January 2021

General

Opened CoCo-CAFE digital laboratory

The Company opened CoCo-CAFE, a venue for co-creating value through further promotion of DX, in Minato Ward, Tokyo. By bringing together digital personnel from marketing, R&D, and manufacturing technology functions, CoCo-CAFE will promote internal and external exchanges for enhancement of DX platforms and creation of new businesses.

January 2021

Life Material

Decided to build a second plant for CeolusTM microcrystalline cellulose^{*2}

The Company decided to build a second plant for CeolusTM at its Mizushima Works in Kurashiki, Okayama. We will upgrade our supply capacity in response to strong demand in Japan and overseas, and aim to achieve a stable supply through multiple production sites.

Health Care

Expanded sales of PlanovaTM virus removal filters^{*3}

The sales of PlanovaTM expanded due to heightened requirements for viral safety in biotherapeutics, as well as growing demand for manufacturing process applications for COVID-19 drugs. We will continue to provide a stable supply of high-performance, high-quality products.

*1 New Energy and Industrial Technology Development Organization

*2 A white powder made from natural pulp, mainly used as an excipient for pharmaceuticals and foods

*3 Hollow-fiber virus removal filters, used during the manufacture of biotherapeutics such as biopharmaceuticals and plasma derivatives

5. Business risks

Main risks recognized by the Company

- Risk related to climate change
- Risks related to the COVID-19 pandemic
- Risks related to market fluctuations
- Risks related to business competitiveness
- Risks related to trade and economic sanctions (the U.S.-China relations, etc.)
- Risks related to global supply chains
- Risks related to M&A
- Large-scale natural disasters
- Industrial accidents
- Accidents caused by defective products
- Risks related to intellectual property rights
- Business risks stemming from new laws and regulations

Factory accidents

In fiscal 2020, two serious factory accidents occurred in Japan. The Company has recognized safety as the most important issue for management, and we have worked to ensure the safety of the local communities and our employees. In response to these accidents, we will strive to investigate their causes and prevent recurrence.

1) Explosion at the Hipore factory in Moriyama Works

On June 10, 2020, a fatal explosion occurred at the Hipore factory in Moriyama Works. In response to this accident, we set up an Accident Investigation Committee at Moriyama Works to investigate the cause of this accident and consider measures to prevent recurrence along with the Accident Countermeasures Committee from the Head Office, and compiled a final report on October 28, 2020. We have thoroughly implemented measures to prevent recurrence of accidents, which include safety designs for facilities and corrosion countermeasures, and are working to spread this approach laterally throughout the Company.

2) Fire at a semiconductor factory

On October 20, 2020, there was a fire at a semiconductor manufacturing plant of Asahi Kasei Microdevices Corp. in Nobeoka, Miyazaki. While the cause of the fire is unknown as of the preparation of the Business Report, we will continue investigating the cause of the fire and prevent recurrence. With regard to product supply, we are promoting a switch to other companies' products, as well as alternative production for customers who find it too difficult to switch, upon consulting with individual customers. We will continue striving to maintain a stable product supply.

3. Finance

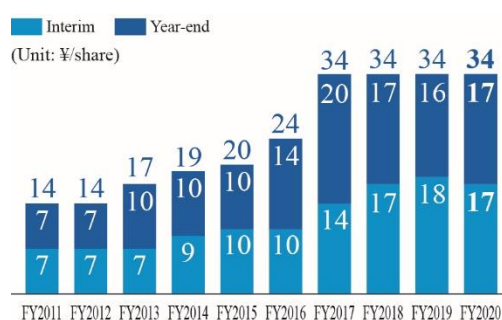

1. The Company's views on shareholder returns and year-end dividends

The Company's basic policy is to aim for stable dividends and increased dividends based on continuous expansion of earnings, while maintaining an appropriate internal reserve through a good balance between growth investments and shareholder returns. Specifically, the Company aims to maintain and continuously raise the level of annual dividend per share while taking the ratio of dividends to shareholders' equity into account, targeting a payout ratio of 30-40%.

The internal reserves will be used not only as investments resources to raise corporate value such as strategic investments and R&D expenses for new business creation, but also as a financial foundation to withstand economic fluctuations.

Based on this policy, the year-end dividend for fiscal 2020 shall be 17 yen per share, totaling 34 yen along with an interim dividend of 17 yen.

For fiscal 2021, based on the business results forecasts, the Company plans to payout an annual dividend of 34 yen per share.

2. Status of shares

(For your reference) Message from the CFO

Koshiro Kudo, Senior Executive Officer

Going forward, by steadily implementing the business portfolio transformation with an awareness of capital efficiency as well as investments in projects that contribute to growths over the medium to long term while maintaining sound financial conditions, we will increase the Group's profitability and aim for stable dividends and a continuous increase in dividends.

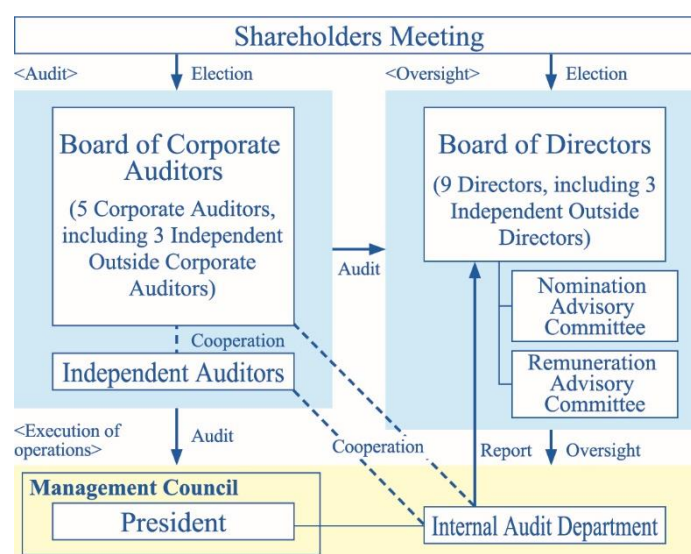

4. Corporate Governance

1. Basic views on corporate governance

The Group Vision of the Company is to provide new value to society and solve social issues by enabling “Living in health and comfort” and “Harmony with the natural environment” under the Group Mission of “Contributing to life and living for people around the world.” With this as a base, the Company aims to contribute to society, achieve sustainable growth, and enhance corporate value over the medium to long term by promoting innovation and creating synergy through the integration of various businesses.

The Company continues to pursue optimal corporate governance as a framework to achieve transparent, fair, timely, and decisive decision-making in accordance with changes in the business environment.

2. The Company’s corporate governance system and key points

Key points

- One-third of Directors are Independent Outside Directors
- One Director is female
- Directors have diverse backgrounds
- Three-fifths of Corporate Auditors are Independent Outside Corporate Auditors*
- Corporate Auditors are supported by Corporate Auditors Office
- Internal Audit Department reports to both the President and the Board of Directors

* Because Outside Corporate Auditor Hikoe Konishi effectively retired from his position due to his passing away on January 13, 2021, the ratio is two-fourths as of the end of fiscal 2020. However, if the proposal on the election of Corporate Auditors stated in the Reference Documents is approved as originally proposed, the ratio will revert back to three-fifths.

- (1) Name of Independent Auditors
PricewaterhouseCoopers Aarata LLC
- (2) The rationale for the Board of Corporate Auditors having agreed on the amount of remuneration, etc. to be paid to Independent Auditors pertaining to fiscal 2020
 - 1) Remuneration for audit services as stipulated in Article 2, Paragraph 1 of the Certified Public Accountants Act
PricewaterhouseCoopers Aarata: ¥212 million
 - 2) Total amount of remuneration to be paid by the Company and its subsidiaries and other financial profit
PricewaterhouseCoopers Aarata: ¥334 million

(Notes) 1. In the audit contract between the Company and Independent Auditors, it is not practically possible to distinguish between the remuneration for the audit based on the Companies Act as Independent Auditors and that for the audit based on the Financial Instrument and Exchange Act. Therefore, the above amounts include both of these.

2. In addition to audit services as stipulated in Article 2, Paragraph 1 of the Certified Public Accountants Act, the Company pays Independent Auditors expenses for preparation of comfort letters in relation to issuance of bonds.
3. The Company's significant overseas subsidiaries are audited by parties other than the Company's Independent Auditors (such as a chartered accountant or an entity that has the equivalent qualification to a chartered accountant overseas) - (only to the extent the provisions of overseas statutory laws and regulations equivalent to the Companies Act and the Financial Instruments and Exchange Act are applicable).

- 3) The rationale for the Board of Corporate Auditors having agreed on the remuneration, etc. of Independent Auditors

The Board of Corporate Auditors agreed on the amount of the remuneration, etc. of the Independent Auditors after conducting necessary verification to ascertain the appropriateness of descriptions in the audit plan prepared by the Independent Auditors, the status of execution of accounting audit duties, the basis for the calculation of the estimated amount of remuneration estimation, etc.

- (3) Policies of dismissal or denial of reappointment of Independent Auditors
The Board of Corporate Auditors shall dismiss Independent Auditors subject to the agreement of all Corporate Auditors when it concludes that any item of Article 340, Paragraph 1 of the Companies Act is applicable to Independent Auditors.

In addition to the above case, if it is deemed difficult for Independent Auditors to perform their duties adequately, the Board of Corporate Auditors shall decide a proposal concerning dismissal or denial of reappointment of Independent Auditors, and the Board of Directors shall submit the relevant proposal to the General Meeting of Shareholders based on the relevant decision.

Remuneration for Directors

(1) Decision-making policy

As one of the corporate governance mechanisms to ensure that the Group can achieve sustainable growth and enhance corporate value over the medium to long term, the Company has sought advice of the Remuneration Advisory Committee on the decision-making policy pertaining to the contents of remuneration, etc. for individual Directors (hereinafter, the "Decision-making Policy"). Respecting the contents of the reports thereof, the Board of Directors has made a resolution on the Decision-making Policy, which includes the following basic policy. (An outline of the Decision-making Policy is as stated in (2) Basic design and (3) Decision-making process below.)

Basic policy

Remuneration of Outside Directors, who have a position of independence with respect to management of the Company, is comprised solely of fixed basic remuneration at a level determined in consideration of third-party survey data, in order to secure a high degree of independence unaffected by short-term earnings fluctuations.

The remuneration system for Executive Directors, who are the Senior Management, combines performance-linked remuneration together with stock-based remuneration as nonmonetary remuneration, in addition to fixed basic remuneration which serves a basic livelihood, in order to provide incentives tied to earnings and management strategy, with levels of remuneration amounts and proportions of types of remuneration adjusted as appropriate for each role according to management strategy and tasks, in consideration of third-party survey data.

To ensure the optimal way of remunerating Directors and design of the remuneration system, the

Board of Directors and the Remuneration Advisory Committee regularly deliberate and continually confirm appropriateness and make improvements.

(2) Basic design

1) Performance-linked remuneration

- Designed by combining both achievement of financial targets including asset efficiency to provide incentives tied to earnings and management strategy as management leaders together with achievement of nonfinancial targets including individual targets including progress on sustainability
- Calculated by making a comprehensive judgment based on achievement of financial targets such as consolidated net sales, operating income, ROA, etc., together with achievement of individually set targets including progress on sustainability
- Standards for financial incentives are selected from the perspectives of appropriateness as clear and objective evaluation criteria based on earnings results as well as awareness for increased asset efficiency
- The formula required to calculate individual performance-linked remuneration is outlined as follows:

$$\boxed{\text{Index calculated by evaluation}^*} \times \boxed{\text{basic amount by rank}} = \boxed{\text{individual performance-linked remuneration amount}}$$

* Coefficient comprehensively considering achievement of financial targets and nonfinancial targets

- Target figures / standard figures and actual figures of management indicators to be used for the calculation of performance-linked remuneration in the most recent fiscal year

	Fiscal 2020 target figure / standard figure	Fiscal 2020 actual figure
Consolidated net sales	¥2,034.0 billion	¥2,106.1 billion
Consolidated operating income	¥140.0 billion	¥171.8 billion
Consolidated ROA*	5.5%	5.9%

* Consolidated operating income / consolidated total assets as of the fiscal year-end

2) Stock-based remuneration

- To reinforce a common perspective with shareholders including both the benefits of share price increases and the risk of share price decreases, a stock-based remuneration system was adopted at the 126th Ordinary General Meeting of Shareholders held on June 28, 2017
- A trust established by the Company acquires shares of the Company and grants them to eligible Directors. Based on the Share Grant Regulations adopted by the Board of Directors, eligible Directors are conferred points in accordance with their rank (maximum of 100,000 points per fiscal year) and the Company's shares are granted to eligible Directors corresponding to the accumulated number of points at the time of their retirement as Director and as officer of the Group (one share of stock per point)

[For your reference] Outline of stock-based remuneration system (share grant trust)

(3) Decision-making process

- Entrusted to the Remuneration Advisory Committee based on a resolution of the Board of Directors
 - The Remuneration Advisory Committee is authorized to confirm the reasonableness and appropriateness of the evaluation of the achievement of targets by Executive Directors as proposed by the President & Director, and to determine remuneration amounts for individual Directors by applying this evaluation to the framework formula determined by the Board of Directors
- Fixed basic remuneration by rank is paid upon determination of the amount by the Board of Directors
- Stock-based remuneration is granted when certain conditions are met, corresponding to points conferred based on the Share Grant Regulations adopted by the Board of Directors
 - The reason for entrusting the authority is because entrusting to the Remuneration Advisory Committee is the most appropriate in order to determine the remuneration for individual Directors from a highly independent, objective, and transparent standpoint while overseeing the business results of the entire Group
 - To ensure the appropriate use of this authorization to the Remuneration Advisory Committee, the Remuneration Advisory Committee is comprised of a majority of Outside Directors, and it regularly reports to the Board of Directors on the process of the above confirmation and determination

* Composition of the members of the Remuneration Advisory Committee

Name	Position and responsibilities
Tsuyoshi Okamoto	Outside Director Chairperson of the Remuneration Advisory Committee
Masumi Shiraishi	Outside Director
Tsuneyoshi Tatsuoka	Outside Director
Hideki Kobori	President and Representative Director Presidential Executive Officer
Shigeki Takayama	Representative Director Vice-Presidential Executive Officer

(4) Reason for the Board of Directors to have judged the contents of remuneration, etc. for individual Directors pertaining to fiscal 2020 are in line with the Decision-making Policy

- The contents of basic remuneration and stock-based remuneration are determined upon taking into account the results of deliberations by the Remuneration Advisory Committee comprised of a majority of Outside Directors, with objectivity and transparency of the decision ensured.
- The decision on performance-linked remuneration has been made through a highly independent, objective, and transparent process of the Remuneration Advisory Committee.

- Performance-linked remuneration = commitment to results
 - Stock-based remuneration = sharing the perspective with shareholders
- * Remuneration for Outside Directors is comprised solely of fixed base remuneration

Remuneration for Corporate Auditors

- The performance-linked remuneration system is not applied in the remuneration for Corporate Auditors, and their remuneration consists of fixed remuneration. Individual remuneration amounts are determined through discussions with Corporate Auditors

8. Results of evaluation of effectiveness of the Board of Directors

The Board of Directors of the Company conducts regular evaluations of its own effectiveness through discussion in the Board of Directors, having collected questionnaires from Directors and Corporate Auditors after the end of each fiscal year.

The main measures implemented in fiscal 2020 and issues recognized for the future are as follows:

<p>Main measures implemented in fiscal 2020</p>	<p>The Board of Directors of the Company implemented the following measures in fiscal 2020 based on evaluation of the previous fiscal year.</p> <p>1) Enhanced agenda items The Board of Directors more frequently discussed agenda items relating to medium- to long-term management issues, such as the management of business portfolio, initiatives for promoting sustainability, and support for digital transformation, in an effort to effectively supervise these issues in the Board of Directors.</p> <p>2) Enhanced provision of information to Outside Directors and Outside Corporate Auditors The Board of Directors secured opportunities for visits to the Group's sites, which had been conducted regularly, while taking measures to prevent the spread of COVID-19. Meanwhile, preliminary briefings for the Board of Directors were expanded in order to facilitate deeper discussion on the days of its meetings by utilizing online meetings.</p> <p>3) Improved committee operations The Board of Directors decided that Outside Directors shall chair the Nomination Advisory Committee, in addition to the Remuneration Advisory Committee. Furthermore, the Board of Directors entrusted the Remuneration Advisory Committee with deciding the individual performance-linked remuneration portion of remuneration for Directors. These changes have improved the independence, objectivity, and transparency of the decision-making process for the nomination and remuneration of Directors and Corporate Auditors.</p>
<p>Issues recognized for the future</p>	<p>Based on measures implemented in fiscal 2020, the Board of Directors has confirmed a common awareness of the following issues for the future.</p> <p>1) Enhancing agenda items Further expanding discussions on medium- to long-term management issues in the Board of Directors, and reviewing the criteria for bringing agenda items as necessary</p> <p>2) Reviewing corporate governance in line with the next medium-term management initiative Reassessing the makeup, size, and skill requirements of the Board of Directors in line with the next medium-term management initiative</p> <p>3) Miscellaneous Methods for evaluating the effectiveness of the Board of Directors, expanding the cooperation among Outside Directors and Outside Corporate Auditors, etc.</p>

Opinion

Pursuant to Article 444, Paragraph 4 of the Companies Act, we have audited the accompanying consolidated financial statements, which comprise the consolidated balance sheets, the consolidated statements of income, the consolidated statements of changes in net assets, and the notes to the consolidated financial statements of Asahi Kasei Corporation (the "Company") for the fiscal year from April 1, 2020, through March 31, 2021.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position and results of operations of Asahi Kasei Corporation, which consists of the Company and its consolidated subsidiaries, for the period covered by the consolidated financial statements in conformity with accounting principles generally accepted in Japan.

Basis for the Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility under the auditing standards is stated in "Auditor's Responsibility for the Audit of the Consolidated Financial Statements." We are independent of the Company and its consolidated subsidiaries in accordance with the provisions related to professional ethics in Japan, and are fulfilling other ethical responsibilities as an auditor. We believe that we have obtained sufficient and appropriate audit evidence to provide a basis for our audit opinion.

Responsibilities of Management, Corporate Auditors, and the Board of Corporate Auditors for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in Japan, and for designing and operating such internal control as management determines is necessary to enable the presentation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing whether it is appropriate to prepare the consolidated financial statements in accordance with the premise of a going concern, and for disclosing matters relating to going concern when it is required to do so in accordance with accounting principles generally accepted in Japan.

Corporate Auditors and the Board of Corporate Auditors are responsible for monitoring the execution of Directors' duties related to designing and operating the financial reporting process.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our responsibility is to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to express an opinion on the

consolidated financial statements from an independent standpoint in an audit report, based on our audit. Misstatements can occur as a result of fraud or error, and are deemed material if they can be reasonably expected to, either individually or collectively, influence the decisions of users taken on the basis of the consolidated financial statements.

We make professional judgment in the audit process in accordance with auditing standards generally accepted in Japan, and perform the following while maintaining professional skepticism.

- Identify and assess the risks of material misstatement, whether due to fraud or error. Design and implement audit procedures to address the risks of material misstatement. The audit procedures shall be selected and applied as determined by the auditor. In addition, sufficient and appropriate audit evidence shall be obtained to provide a basis for the audit opinion.
- In making those risk assessments, the auditor considers internal control relevant to the entity's audit in order to design audit procedures that are appropriate in the circumstances, although the purpose of the audit of the consolidated financial statements is not to express an opinion on the effectiveness of the entity's internal control.
- Assess the appropriateness of accounting policies adopted by management and the method of their application, as well as the reasonableness of accounting estimates made by management and the adequacy of related notes.
- Determine whether it is appropriate for management to prepare the consolidated financial statements on the premise of a going concern and, based on the audit evidence obtained, determine whether there is a significant uncertainty in regard to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If there is a significant uncertainty concerning the premise of a going concern, the auditor is required to call attention to the notes to the consolidated financial statements in the audit report, or if the notes to the consolidated financial statements pertaining to the significant uncertainty are inappropriate, issue a modified opinion on the consolidated financial statements. While the conclusions of the auditor are based on the audit evidence obtained up to the date of the audit report, depending on future events or conditions, an entity may be unable to continue as a going concern.
- Besides assessing whether the presentation of and notes to the consolidated financial statements are in accordance with accounting principles generally accepted in Japan, assess the presentation, structure, and content of the consolidated financial statements including related notes, and whether the consolidated financial statements fairly present the transactions and accounting events on which they are based.
- Obtain sufficient and appropriate audit evidence regarding the financial information of the Company and its consolidated subsidiaries in order to express an opinion on the consolidated financial statements. The auditor is responsible for instructing, supervising, and implementing the audit of the consolidated financial statements, and is solely responsible for the audit opinion.

The auditor reports to Corporate Auditors and the Board of Corporate Auditors regarding the scope and timing of implementation of the planned audit, material audit findings including material weaknesses in internal control identified in the course of the audit, and other matters required under the auditing standards.

The auditor reports to Corporate Auditors and the Board of Corporate Auditors regarding the observance of provisions related to professional ethics in Japan as well as matters that are reasonably considered to have an impact on the auditor's independence and any safeguards that are in place to reduce or eliminate obstacles.

Interest

Our firm and engagement partners have no interests in the Company or its consolidated subsidiaries requiring disclosure under the provisions of the Certified Public Accountants Act of Japan.

Opinion

Pursuant to Article 436, Paragraph 2, Item 1 of the Companies Act, we have audited the accompanying financial statements, which comprise the balance sheets, the statements of income, the statements of changes in net assets, and the related notes, and the accompanying supplementary schedules of Asahi Kasei Corporation (the "Company") for the 130th fiscal year from April 1, 2020 through March 31, 2021.

In our opinion, the financial statements and the accompanying supplementary schedules referred to above present fairly, in all material respects, the financial position of the Company as of March 31, 2020, and the results of its operations for the year then ended in conformity with accounting principles generally accepted in Japan.

Basis for the Opinion

We conducted our audit in accordance with auditing standards generally accepted in Japan. Our responsibility under the auditing standards is stated in "Auditor's Responsibility for the Audit of the Financial Statements and the Accompanying Supplementary Schedules." Audit Report

With respect to the directors' performance of their duties during the 130th financial period from April 1, 2020, to March 31, 2021, the Board of Corporate Auditors has prepared this audit report upon deliberations based on the audit reports prepared by each of the Corporate Auditors, and hereby reports as follows:

1. Method and Content of Audit Conducted by Corporate Auditors and the Board of Corporate Auditors

- (1) The Board of Corporate Auditors formulated audit policies, audit plans, etc. and set as priority audit items the status of corporate governance, the development and operation status of internal control systems, status of responsible care activities, the development and operation status of risk control, the impact of the COVID-19 pandemic on business activities, the implementation status of the new medium-term management initiative, etc. Furthermore, in addition to receiving reports from each of the Corporate Auditors regarding the status of implementation of their audits and results thereof, the Board of Corporate Auditors received reports from the Directors, etc. and the Independent Auditors regarding the status of performance of their duties and requested explanations when deemed necessary.
- (2) In conformity with standards of audit by Corporate Auditors set down by the Board of Corporate Auditors and in accordance with the audit policy and audit plans, we, Corporate Auditors, sought to facilitate mutual understanding with Directors, the internal audit division and other employees by utilizing online and other means, endeavored to collect information and maintain and improve the audit environment, and conducted audits as follows:
 - 1) We attended Board of Directors meetings and other important meetings, received reports from Directors and other employees concerning the performance of their duties, requested explanations as necessary, examined important approval documents and inspected operations and financial affairs at the head office and other major business locations including overseas. With respect to subsidiaries (core operating companies, etc.), we facilitated a mutual understanding and exchanged information with Directors, Corporate Auditors, etc. of subsidiaries, and received from subsidiaries reports on their operations as necessary, including visits to major overseas sites.
 - 2) We periodically received reports from Directors and other employees, sought explanations as necessary, and expressed our opinions regarding the contents of resolutions by the Board of Directors concerning the development of systems stipulated in Article 100, Paragraphs 1 and 3, of the Ordinance for Enforcement of the Companies Act, which are necessary to ensure that Directors' performance of their duties is in conformity with laws and regulations and the Articles of Incorporation of the Company, and to ensure the appropriateness of operations of the Company and its subsidiaries, as described in the business report, as well as the status of the building and management of the systems developed pursuant to such resolutions (internal control systems).

We also periodically received reports from Directors, other employees and PricewaterhouseCoopers Aarata LLC, sought explanations as necessary and expressed our opinions regarding assessment of internal control over financial reporting as well as the status of audit thereof.

As the Group adopts an "Operating Holding Company" structure, we held liaison meetings with the internal audit division and Corporate Auditors of subsidiaries on a routine basis, thereby examining the effectiveness of the Group's internal control systems.

- 3) We examined the contents of the basic policy on control of the Company presented in the business report and related measures in light of the status of discussions by the Board of Directors and others.
- 4) We monitored and examined whether the Independent Auditors maintained their independence and properly conducted audit, received reports from the Independent Auditors concerning the status of the performance of its duties, and requested explanations when deemed necessary. We were also notified by the Independent Auditors that they had in place "systems for ensuring proper execution of duties" (matters listed in each item of Article 131 of the Corporate Accounting Rules) in accordance with the "Standards on Quality Control for Audits" (Business Accounting Council, October 28, 2005), etc. and requested explanations as necessary.

Based on the above-described methods, the Corporate Auditors conducted examinations of the Company's business report and the supplementary schedules, the non-consolidated financial statements (non-consolidated balance sheets, non-consolidated statements of income, non-consolidated statements of changes in net assets and related notes) and the supplementary schedules, and the consolidated financial statements (consolidated balance sheets, consolidated statements of income, consolidated statements of changes in net assets and related notes) for the business year under review.

2. Results of Audit

(1) Results of audit of the business report, etc.

- 1) We acknowledge that the business report and the supplementary schedules fairly present the status of the Company pursuant to laws and regulations and the Articles of Incorporation of the Company.
- 2) We acknowledge that no misconduct or material fact constituting a violation of any laws or regulations or the Articles of Incorporation of the Company was found with respect to the Directors' performance of their duties.
- 3) We acknowledge that the details of resolutions approved by the Board of Directors concerning the internal control systems are appropriate. No matters that necessitate comment were found regarding the details described in the business report and the Directors' performance of their duties both with respect to the internal control systems including internal control over financial reporting.

Additionally, in terms of Responsible Care activities for ensuring the environment, safety, quality, occupational safety and health, etc., we have recognized the challenges through attending various relevant committee meetings and reviewing the reports submitted by Directors and employees. We will continue to confirm the effectiveness thereof.

- 4) In response to a fire that occurred in October 2020 at the Nobeoka Plant of Asahi Kasei Microdevices Corp., we will continue to pay close attention to the status of measures taken by the Company for implementing a Business Continuity Plan (BCP) and ensuring security and disaster prevention.
 - 5) With regard to the new medium-term management initiative that was started in fiscal 2019, we have confirmed the status of measures taken for executing the business strategies and investment plans that keep pace flexibly with drastic changes in business environment. We will also continue to pay close attention to the Company's efforts for sustainability, societal demands for which have further increased.
 - 6) Regarding the damage compensation suit concerning piling work filed by Mitsui Fudosan Residential Co., Ltd. and two other companies against Asahi Kasei Construction Materials Corporation, a subsidiary of Asahi Kasei Corporation, we will continue to keep close watch on any new developments.
 - 7) No matters that necessitate comment were found regarding the basic policy on control of the Company presented in the business report. We acknowledge that the related measures are in line with the basic policy and do not undermine common interests of the Company's shareholders or aim to maintain the positions of the Company's officers.
- (2) Results of audit of the non-consolidated financial statements and the supplementary schedules
We acknowledge that the methods of the audit used and results of audit reached by the Independent Auditors, PricewaterhouseCoopers Aarata LLC, are appropriate.
- (3) Results of audit of the consolidated financial statements
We acknowledge that the methods of the audit used and results of audit reached by the Independent Auditors, PricewaterhouseCoopers Aarata LLC, are appropriate.
